WHAT'S TRENDING

We are proud to announce that the **SOUTH AFRICAN POST OFFICE** awarded a portion of their National Security Services contract to **VUSELA**.

This includes the Central, Platinum and Northern Cape regions.

The contract started on the 1 March 2019 and has given us the privilege to employ 79 security officers and about another 1500 additional shifts were posted for SASSA pay outs during the month of March.

We have been selected as one of the preferred SAPO Service Providers and will continue with our high standard and quality service.

In doing so, we will ensure that we will grow this relationship into a long standing and mutually beneficial "partnership" for both SAPO and our company.

After submitting our annual training report and workplace skills plan in March 2019, we are proud to announce that **VUSELA** spent more than One Million Rand during the last 12 months to develop the skills of our employees.

More than 54% of all our employees benefitted from Learnership, Tactical, Legal & Technical Training.

PAY QUERIES

Pay queries have decreased significantly during the past few months. This is as a result of addressing all pay related matters pro-actively, through Easy Roster and working closely with all the staff members.
